

CCRS-Pottstown Group Training Run

Come join us for group training runs on the Schuylkill River Trail at Riverfront Park, Pottstown!

If you are up for a peaceful, scenic, Saturday morning training run with your fellow area runners, without the hassle of cars and traffic, just be at the Schuylkill River Trail, 8AM on Saturdays (weather permitting), beginning in January. All levels are welcome. We'll be running out and back for approximately 3 or 6 miles to start but you may choose whatever distance you like!

Also, group trail runs are being planned for the Spring!
